G.O.No.1518 P.H., dated 7-5-1948
From the Commissioner, Adoni Municipality, L.Dis. 6114-B4-8, dated 1st June 1948
From the Commissioner, Tuticorin Municipality, Roc. No.C4-9923-48, dated the 13th June 1948

O R D E R:

The draft of certain amendments to the rules relating to the appointment and punishment of officers and servants of municipal councils was published in Part I-A of the Fort St. George Gazette dated the 1st June 1948. The Government have received the following two suggestions in respect of the proposed amendments:-

(1) The Commissioner, Tuticorin Municipality has suggested that the Government may clarify the point whether the proposed amendments will apply only to the technical staff employed under the Town Planning establishment of Municipal councils or whether they will apply to the ministerial, inferior and menial staff also. The Commissioner, Tuticorin Municipality is informed that the rules will apply only to the technical staff employed under the Town Planning establishment of Municipal councils.

(2) The Commissioner, Adoni Municipality has pointed out that in practical experience it is often found necessary, in the interest of administration, to direct a member of the Town Planning or Public Works establishment of a municipality to hold additional charge of the post of the Public Works or Town Planning Supervisor respectively even before the approval of the Director of Town Planning or the Sanitary Engineer to Government for such appointment is secured. He has therefore suggested that a proviso may be added to the draft amendment to clauses (d) and (j) of rule 1 exempting temporary additional charge appointments from the scope of the rules. The Government have examined this suggestion and have decided that it need not be accepted.

2. The amendments are hereby confirmed with suitable modifications. The appended notification will be published in the Fort St. George Gazette.
